

## **SOP: Mailbox configuration**

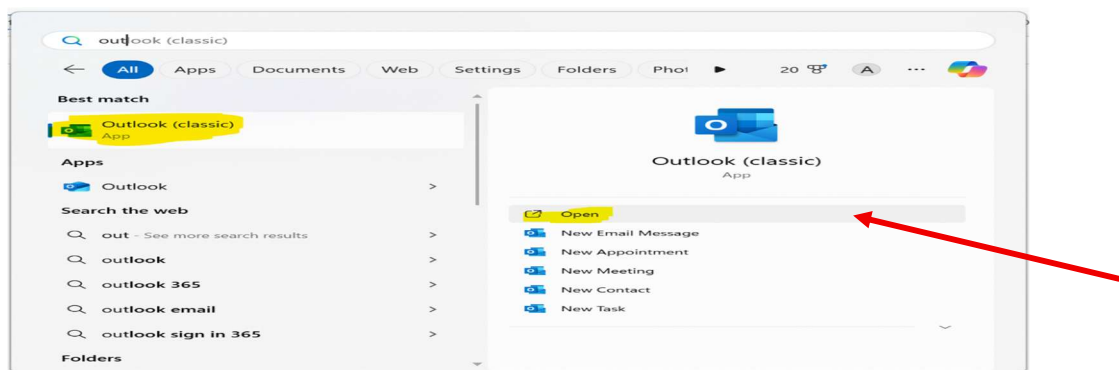

### **Purpose:**

The purpose of this SOP is to provide step-by-step instructions for logging into Microsoft Outlook with the JioStar organizational account. This ensures users can securely access emails, calendars, and other Office 365 services.

Steps to Login Microsoft Outlook on system –

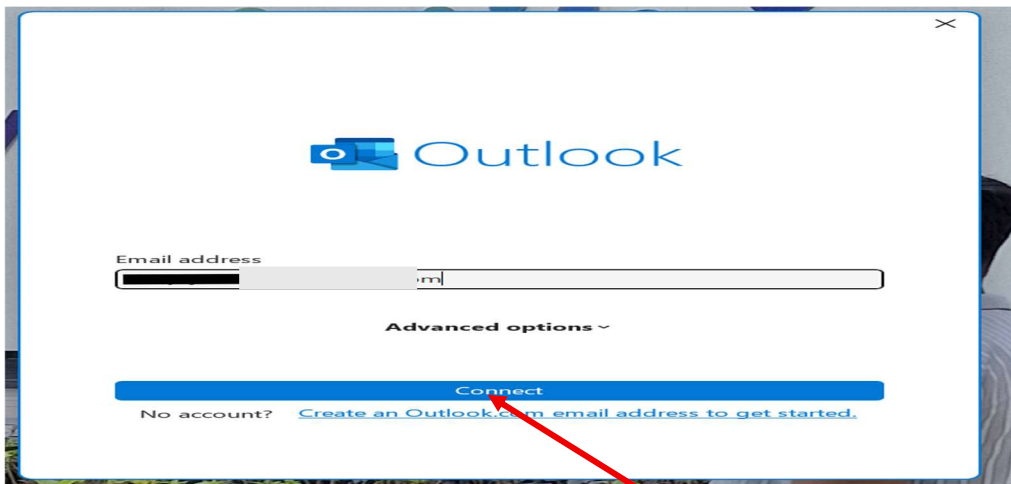

### **Step 1: Launch Outlook**

- Open Microsoft Outlook from the Start Menu.

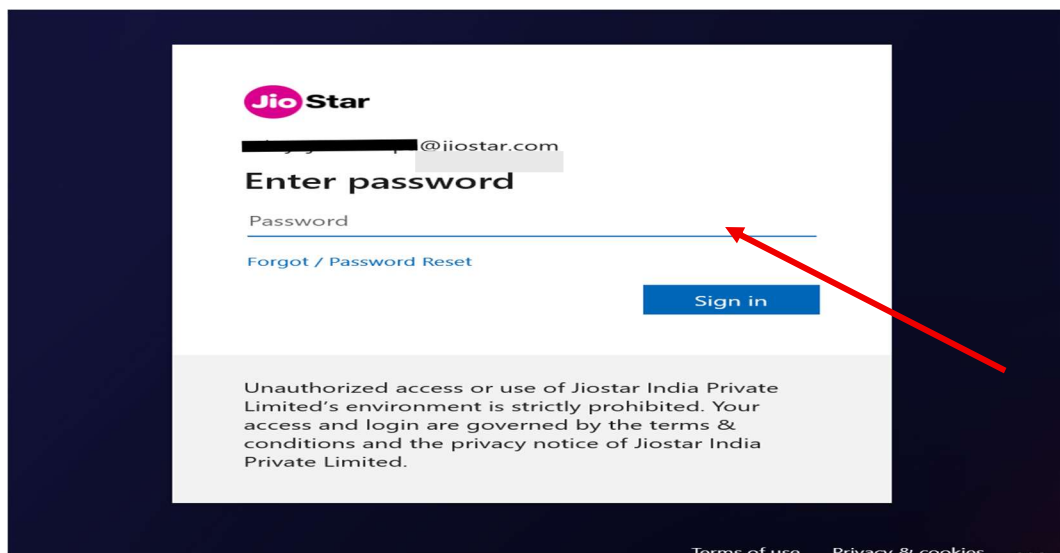

### **Step 2: Add Account**

- Click on Add Account and then Enter your JioStar email ID. And at last Click on Connect.

### **Step 3: Enter Password**

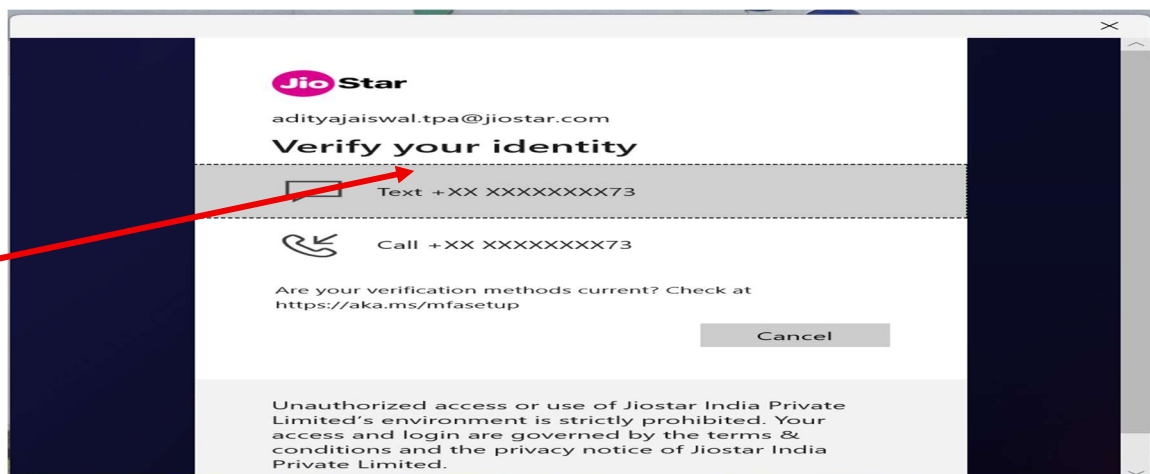

- Enter your JioStar email password and Click Next.

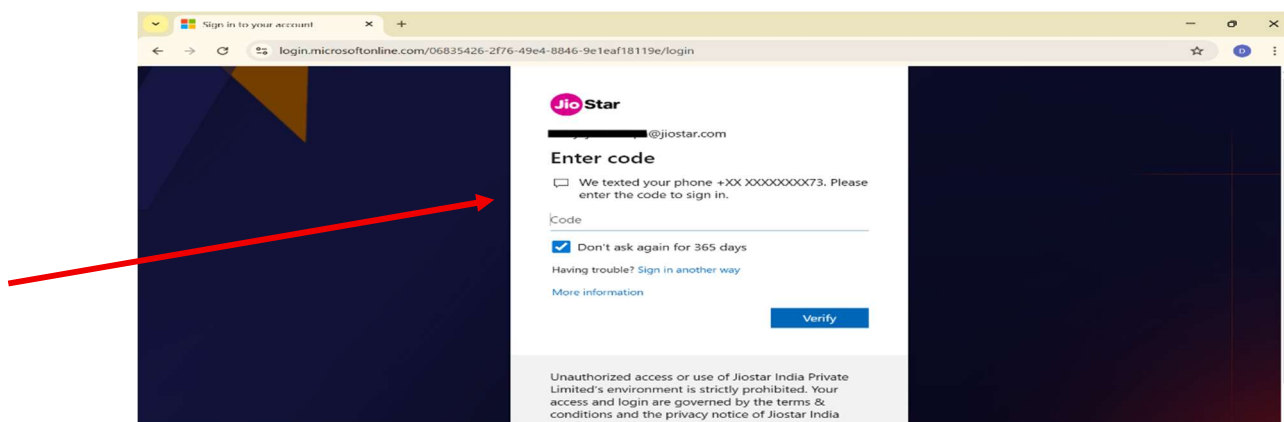

**Step 4:** After successful password entry, complete MFA using one of the two methods below.

- Option A — SMS Verification.

**Step 5:** Select SMS as the method. And click 'text code' or 'Call'.

**Step 6:** Enter the 6-digit code received on your phone and click on Verify

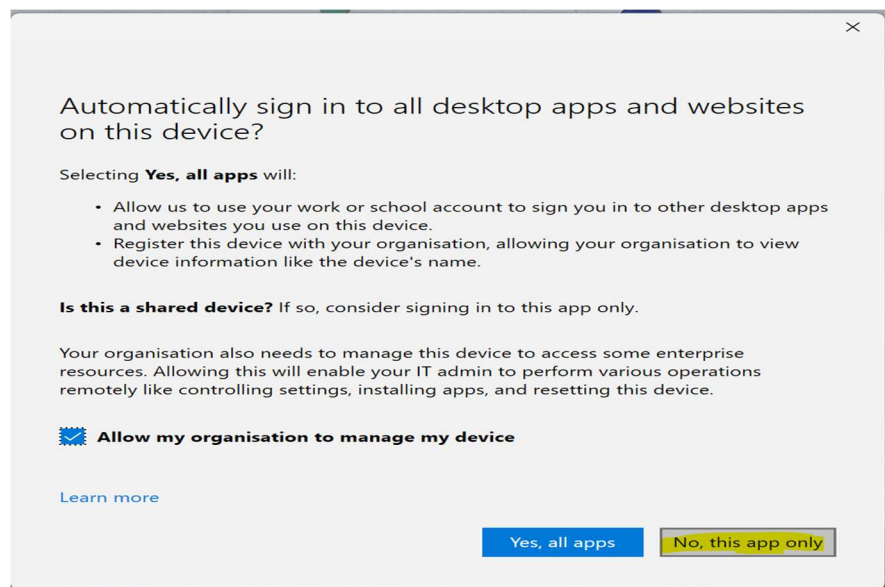

**OR**

- **Option B — Microsoft Authenticator App**
  1. Select Microsoft Authenticator.
  2. Approve the push notification on your phone OR enter the 6-digit code from the app.
  3. Click Verify.

### Step 5: Sign-in Options

- When prompted with:  
“Allow this account to sign in automatically to all desktop apps and websites” then  
Select **No, this app only**.

### Step 6: Successful Login

- You are now successfully logged into Microsoft Teams.
