

Reset Your MyID Password

Follow these steps to reset your password:

1. Navigate to myid.disney.com
2. If you have not already registered for MyID, select **New User Registration** from the options on the left and register

Complete instructions for registering can be found at [How to Register for MyID](#)

3. If you have already registered for MyID, select **Forgot/Change My Password**. Select this option whether you've forgotten your password or need to reset it for other reasons (for example, because it is expiring)

The screenshot shows the 'Self Service' page of the MyID portal. On the left, a sidebar lists options: 'New User Registration', 'Forgot/Change My Password' (highlighted with a red box), 'Manage My Security Questions', 'Two-step Verification Management', 'External User Access Management', and 'FAQs'. Below the sidebar is a language dropdown set to 'English'. The main content area features a header 'Introducing MyID' with the subtext 'Simplify your login experience!'. Below this is a paragraph explaining MyID's benefits. At the bottom, there is a section titled 'COMPUTER SYSTEM TERMS OF USE' with detailed text about the company's policies and data handling.

4. Enter your **Email or Company Assigned ID** and **Last Name**, then click **Next**

The screenshot shows the 'MyID Password Reset' form. At the top, a progress bar indicates the steps: 'About Me' (active), 'Security Questions', 'Confirm Identity', 'Create Password', and 'Done'. The main heading is 'Help Us Identify You'. Below this, there are two input fields: 'Email or Company Assigned ID' and 'Last Name'. A link 'Don't Know Your Company Assigned ID?' is positioned below the first field. At the bottom, there are 'Cancel' and 'Next' buttons, and a 'Need Help?' link. A language dropdown at the very bottom is set to 'English'.

5. Answer your security questions (your questions may vary), then click **Next**

What was your first car?

What is the name of your first childhood friend?

What is your mother's maiden name?
